MEMORANDUM FOR: Deputy Director/Flans

: Deputy Director Central Intelligence FROM

1. I mentioned to you the other day the attached directive of the PSB of 12 June 1952. The language of the recommendation is ambiguous, but I gather from you that you think you can live under it. I assume that under this recommendation *Projects Previously Approved" means projects that have been approved by procedures other than that of the PSB, since otherwise you would be rather restricted.
